Renewed Petition under 37 C.F.R. § 1.137(b)

This is a renewed Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b). Applicants prior 37 CFR 1.137(b) submissions of September 16 and September 19, 2011 included a request for refund that resulted in no fee being paid with therewith. The petition was therefore dismissed on January 20, 2012. The required \$1860 fee (37 CFR 1.17(m)) has been paid with this submission. At no time has the Applicant intended to abandon this application. Applicants hereby respectfully request reinstatement of this unintentionally abandoned application.

Respectfully submitted,

Date: January 23, 2012
